1/1 Sat  relieved	I didn't do anything special today. I feel like I'm keep saying it whole my holidays but it's not bad meaning. Of course if I compare with someone who went amusement park or fancy shopping mall, my daily life looks little bit miserable. However, I know that this free and kinda boring time is precious for me. I can't complain about it.
1/2 Sun  not so bad	I didn't do anything special... except I tried Eiken's past test. I tried first grade because I wanted to know how difficult it is... and I was so shocked. It was not the level I can solve. I know the words pronance, but I didn't know the most of meanings. I have no hope for pass the first grade... but I want it. I will keep study, and I must pass it someday.
1/3 Mon  excited	I did babysitter today. I'm so happy to help them like this. I'm not sure I'm doing good in housework... because recently, I've been staying in my room and doing workout, or studying. I'm so excited to go to school tomorrow. Finally, I can meet my friend!!! And I've just got amazing news. I can wear the jeans!!! Yap!!! I'm happy now.
1/4 Tue  fun!	It was so fun to go to school today. I was kinda nervous before I go in to the classroom, but it means nothing. Teacher and new class mates are so sweet! I'm so excited about this semester. And today, I met exchange student from Brazil. Her English was so natural and good, so I didn't notice that she is a exchange student. She asked me few question, and I was so glad to be able to help her. I hope I can be good friend with her.
1/5 Wed  happy	Today's English class was so fun! We discussed about "How people judge other person?". The subject was so serious, but discussion was fun. I love this class because I can learn not only English, but also other people's thoughts and opinion. However, I still have a trouble to have a conversation with people, so I need practice speaking.
1/6 Thu  I need more effort.	I was impressed by English skill of Brazilian exchange student. Her English is clear and natural, so very easy to understand. And she is very sweet and friendly... I can't believe that she came here just a week ago. I'm doing my best, but I know it's not enough. I have to effort more because I'm inferior to other people... even in Japan.
1/7 Fri  fun	I love Production class so much! I'm so excited to go to Competition nextweek. We will go to the capital of US!!! But more and more people are getting covid, so I'm really worried about it. My teacher got covid, so she is staying at home. I miss her so bad. I hope I can see her nextweek...!

1/18 Sat 	I did paint ball the first time in my life!!! I was so scared before I try because the paint gun was realistic. I wore head cover & sweater. Even I hid behind the wall, I got hit on my face... it was strange. I did only 2 match, but I had so much fun! I want to take my Japanese brothers there. They'll like it too!!
1/19 Sun  SO HARD	IT WAS SO HARD TO FINISH MY HOMEWORK!!! I was about to cry. I took really easy class first semester, so no wonder. I feel hardress this semester. I'm struggling with my poor English skill. Every time I take ACT practice, I can't take even half score. I'm so sad. Everyone said that's inevitable because I'm foreigner... but.
1/20 Mon  I was Released	Teacher complimented my homework. phew. I don't have any work today. However, I'm gonna go choir practice tomorrow, so I should do tomorrow's work. I'm not belonging sports team this semester but mentally I'm dying everyday... aww. Anyway, I'll go theater competition. since Thursday, so I can't stop work until then!!!
1/21 Tue 	We performed "BRIAN THE COMET" for teachers & students in art classes. We could finish the performance... but it was actually awful. I can't believe that this is the last performance before the competition. However, according to my teacher, the actual play is gonna be great when the rehearsal was failure... I believe it! Lol
1/22 Wed 	I'm so excited about tomorrow! We are gonna have so much fun this 4 days! I will bring my favorite dress for the fancy dinner. And we are gonna wear show T-shirts & Reese's T-shirts. In addition, I have a big news! I was chosen as a student of the month in the whole school! I'm so happy and satisfied!
1/23 Thu 	I'm so nervous!!! Finally, tomorrow is the day of our show!!! Time flies...! We started this show in September(?), so it's been more than 4 month but it passed really fast. We are going to do our best show ever. I'm so excited!!! We went fancy dinner this evening. Pasta and Chickin were so good, but my favorite was salad
1/24 Fri 	We did it!!! We did the best show ever!!! Audience laughed a lot, and cried a lot...! We added some new things yesterday, but it worked really well. The last scene made me cry. We sang our show theme song, "falling like a star". It was the most beautiful song I've ever sung. I love stage. I love theater. I love this class!!!

Takoyaki party!!!

1/15 Sat  shocked	It was so much fun today, but I was shocked. I'm pretending like I'm fine, but I'm not fine. I don't wanna write down such a shame and negative thing... also I'm not ready to talk about it. For me, this is the most sad event ever. Let's not write down today because I'm gonna be so emotional, so just wait for the time.
1/16 Sun  fun!	I tried to forget everything what happened yesterday, and I'm fine now... I mean "fine-ish". I need to move on, I have to.) Anyway, we had so much fun today! We couldn't advanced to the state competition, but our last show was succeed as my teacher said!!! I'm so proud of my classmates and director!
1/17 Mon  chill	I'm like a after burn syndrome... Lol. I did everything what I could do for the competition, then I have nothing to do today... Oh, except my homework!!! I don't wanna believe that I have to write down 9 pages of US History note. Awww...! But I kinda missed school, so I'm excited to see my friend & teacher!!!
1/18 Tue  shocked	I was shocked... I haven't grown up as much. Why can't I talk the way as I want to? I've been here for 5 month, but I'm still struggling. I'm studying, but I think it's not enough. I'm not satisfied with my life, skill, and English. I need to do something important for my future. That's why I came here, right?
1/19 Wed  fun	I changed my mind. I can't stay negative!!! I must be happy & nice always. I went student of month lunch. I met other 4 students, and spent wonderful time! One friend told me about how wonderful disney world is. I would love to go someday, but I know it's impossible. I have to study rather than playing in the amusement park.
1/20 Thu  tired	I'm kinda sick...!!! I'm dying because of homework. I took a US History test yesterday, and it was terrible. I'm inferior student in my class. I feel so sorry about causing my teacher so much trouble. I know I'm inferior than other exchange student, but I'm doing my best. I don't know what I can do any more.
1/21 Fri  sick	I was so sick today. I mean, not sick like a common cold syndrome, but I had a headache & cough. I wonder if I have covid... but I'm sure that I'll be fine anyway. There are alot of covid case around me, so I'm really worried about omicron. They expand faster & easier. All I have to do is weating the mask, wash my hands,

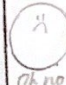

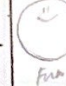

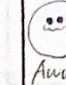

and keep distance. I don't wanna isolate from school, so I have to take care of myself.

1/22 Sat  relieve	I took a covid test today. My rapid test result was negative. I was relieved, but I don't even know why I'm sick like this. I guess I just have a common cold syndrome because of rapid temperature changes. I'm still waiting the result which is more accurate. I'll be able to know it within one week.
1/23 Sun  fun!	I went to the science museum with my family. It was so interesting! I saw the huge spaceship which was used for true space mission. NASA's space station manufacture was super cool too! I couldn't stop say "Wow...!" I prefer literal arts to science, but this museum was so interesting. I'm happy to try space food is Yummy!
1/24 Mon  ok.no	My sickness prove to be true. I was positive for the covid test. I've just got the result, so I was so surprised. But fortunately, I didn't even know that I had covid... I'm worried rather other people's health than mine. I do not wanna spread infection. I'm scared to go back to Japan.
1/25 Tue  fun	I couldn't go to school today because I had to be isolated. I thought it was gonna be boring but it wasn't. I did so many work today. But every time I do vocab, or reading, I'm getting mad at myself. Why can't I use English well? Anyway it was so fun to do Origami with kids, so after all, I'm happy now.
1/26 Wed  stress	I'm so stressed out! I've been having a bad dream, and I can't sleep well. I know that I don't have to be anxious, but I'm so scared to be compared with other student. What if I can't pass the Eiken? What if everyone say I'm inferior to other exchange student? I'm just so scared to hear my reputation.
1/27 Thu  Happy	Finally!!! My letterman jacket was arrived!!! I'm so excited to wear it. I've been collected lapel pins as a souvenir, so I put it on the jacket. It's so pretty!!! I can remember the memory & place I've been everytime I see those pins. I think this idea is good for keeping my memory last long.
1/28 Fri  Awaw	Today's US History test was difficult, but I hope I could take more than 80. I don't wanna take C. I wish I could take All A this time too, but I know that it's impossible...! I don't wanna give up, so I will take B somehow. US History teacher told me that I'm doing great, but to be honest, I'm not sure

I'm doing well. My grade is terrible. I have to study more.

1/29 Sat  Fun!	I had so much fun today! I did hangout with my lunch box friends. I went big mall, so I could see alot of fancy stuff... for instance, dresses, shoes... and soon. My friends had some money, so they bought shoes, but I only bought present for friend. I was surprised. I used to use money without thiking when I was in Japan...
1/30 Sun  Study hard	I've been studying since this morning...! I didn't do my homework at all yesterday, so...! There are bunch of work to do. I'm so tired...! Anyway, I'm going to start my Valentine Takoyaki project next week, so I'm gonna be busier than now. I don't have many time. I have to use my time efficiently.
1/31 Mon 	I'm so happy now because I could wear my prom dress!!! Lol I know it's funny but it didn't fit when I got it from school...! I was so shocked, so I started workout again (I feel like I started it again and again... but Idc:) I'm so excited about prom haha. I can't believe that I have only 4 month... I'm keep saying like that.
