4/12 Sat  Wow	I did Japanese call with my family. I could only talk to my mom, but it was fun. But when my mom said something about my studying abroad, I got mad. Idt why, but it was like a volcano. I had not been got mad for a long time, so I was surprised. I apologized her in a minutes though. Haha
4/13 Sun  Fun!	It was wonderful weekend! I went the SHED again =) But this time, I was there with my host family! Yay!!! The boat ride is super fun, and I love the feeling of the water, wind, and sunshine! Sunset was very beautiful...! I really enjoyed it, and I really appreciate that I could have a wonderful time!
4/14 Mon  Happy	The last week before the spring break!!! Yeahhhhh!!! ...Well, I got so excited. We have many tests before we are going to out of school, and I have to pass everything. I'm anxious about US History grade, but I will be fine. I have never skipped class, and I turned in all the homework and card notes.
4/15 Tue  Yay!	Finally, I remembered my line in the new show! It tooks long time to remember English line, but I still need practice to read these line fruently. I love learning line and thinking about my role in the show. I can't wait to show it to my host family and friends. They're gonna be surprized...!?
4/16 wed  Umm	I finished my drawings from Local museum! I went museum before the prom, but I had drawing from it... which was not finished! haha So I colored it with the color pencils which I got from host family as Christmas gift =) I feel not good today, but drawing made me chill and relax ♡
4/17 Thu  Excited	I can't wait to go to Georgia next week! I looked up tons of information of Georgia, and I wrote it down. I hope I can go to the aquarium to see the whale shark. And another plan is going to Coca-cola museum! I'm not a big fan of coke now, but I used to... so I'm so curious!!! I hope I can go =)
4/18 Fri  excited	I'm done with the half of 4th term =) Yay!!! The last test is over, and I don't have homework for this spring break! I can't believe it! Nobody is going to tell me to do study for 10 days... actually, since I came here, nobody told me to study though. Lol. I love study, but I will hate it if I "have to".

If I "want to", that is the best timing to study.

4/19 Sat  Happy	I came to my Academic Coordinator's house and I'm staying with her this weekend. We went restaurant where I really wanted to go, and we took a walk at the downtown near by beautiful beach. I just really loved it. She told me her dream in the future, and I was so inspired. That's why I like talk
4/10 Sun  Yay!	We talked alot about studying abroad. She accepted many exchange students, so her stories were so interesting for me. She gave me a compliment that I'm doing good as an exchange student. I was happy to hear that. We talked about my future job, and she gave me some idea. I had wonderful time!
4/11 Mon  I'm Learning	I went Battleship memorial park in Alabama. The battleship was used in actual fight of WWII, and it was so huge. I could see some display about Japan. I could learn war history from other perspective, so it was so cool experience as exchange student from Nagasaki. History is so interesting.
4/12 Tue  Easter Egg!	We did Easter egg hunt! I bought some candy and Egg, so I could do little surprize for my host siblings :) Right after I hid eggs, they ran hurry to the backyard, and... egg hunt was finished in 6 minutes. Omg, I spent long time to hide though. They are very good at it, or am I too bad at hide eggs? Lol
4/13 Wed  Fun!	I went shopping with Emily and Imani! I got some pretty (and flashy) outfit for cheap price. I don't usually buy clothes at the fancy shop. I prefer second hand store because products are much cheaper. And sometimes, we can find amazing products! It's like a treasure hunt * I'm excited to wear it!
4/14 Thu  Yay!	I'm in Georgia! We went water park which is in the resort hotel (I can't believe it... how fancy!) Drive was long time, so I really appreciate my host family to bringing me here. I've already had so much fun! And I got a Easter surprize from host parents! Mississippi T-shirts is my treasure!

<p>4/16 Sat  Love this</p>	<p>I'm having so much fun at this hotel! This hotel has some enjoyable activity for the kids and their family. They have Morning Yoga, mini games, bowling, candy shop, Build-a-bear, and ... Magiquest (Quest game which has interesting story...!) I'm walking around with Magic wand to complete the quest! haha</p>
<p>4/17 Sun  So Fun!</p>	<p>We went wild animal safari this morning. Surprisingly, we feeded animals from our own car!!! We opened the window, and put our hand to the zebra, buffalo, and so on...! It was super cool experience! I had so much fun! Between ourselves, I ate big steak right after that. I felt guilty ... Awww</p>
<p>4/18 Mon  Umm...</p>	<p>I can't explain this feeling. I heard that my Japanese high school theater club got 16 new people. I was like, "what ...!? How it happened...!?" bc last year, there was only 6 members. I'm happy for them. After I left, they are doing really well, and I'm so proud of them from the bottom of my heart. But ... I don't know.</p>
<p>4/19 Tue  Umm...</p>	<p>I CAN NOT STAND THIS THOUGHTS ANYMORE!!! I don't wanna go back to Japan, but I wanna go back to Japan, I'm so scared to go back to Japan, but I got so excited. THIS IS JUST SO WEIRD!!! I feel just like I felt before I come to America. What is wrong with me? I have to stop thinking about my Japanese high school life. It drives me crazy.</p>
<p>4/20 Wed  I'll do my best</p>	<p>I got a text from my bestie in the Japanese theatre club. She told me that there is nothing to worry about. They are still waiting for me and excited to see me even though they are doing great without me. There is still place for me. Her text saved me. The only thing I can do now is doing my best in here.</p>
<p>4/21 Thu  Wow!</p>	<p>We got the new lights in the theatre room!!! They are so colorful and it is so hard to operate ... I learned how to connect these, but it was so complicated! I really respect the people who takes care of light and music ... I mean, tech group (?). I was just actor, so I had only to take care of myself, but they need care all.</p>
<p>4/22 Fri  I did</p>	<p>I got the mid-term progress report from school today! I'm satisfied with my grade so far, but the most important thing is keeping my grade higher than 90. I just wanna take a honor roll!!! Lol Anyway, my teacher told me that we only have 26 school days left. It means I can only spend time with my friend and teachers</p>

for 26 days. I need to cherish each day.

4/23 Sat  Yum!	I went strawberry picking this morning! It was so much fun :) I had been strawberry farm when I was elementary school student, but it was probably inside of the green house. This time, we picked strawberry under the sun!!! I sweat alot, and I got tired little bit... so I took a lazy nap haha
4/24 Sun  Chill	I didn't do something special, but I was happy that I could take a time to write this report. (Honestly, I skipped this report for more than 10 days... Aww) I need to reconsider my lifestyle because I go to bed late night lately. I'm fine, well; seemingly. But I feel frustrated in my mind. I have only 1 more month...
4/25 Mon  Good :)	I watched the Disney movie which is named "Turning Red" I cried so badly. I empathized with the girl in the movie, so that's the reason why I cried alot...! Disney movie always makes me cry... in a good way though. I hope I can make someone cry (Of course in a good way =) by my acting or doing something
4/26 Tue  Happy!	Today was a busy day. I stayed after school to decorate our production class for the show which is going to be next week. I was invited to go to the Spring concert of Band :) They did amazing, and I was inspired. I love listening music, because it makes me chill. When I was alone in the gym, my friend talked to me, and we watched the performance together. He is so sweet and I really appreciate that I hadn't be alone haha.
4/27 Wed  Love this	I love doing girls talk with Emily and Imani. I love them so much too!!! We usually have different opinions because we have totally different background. That's why I like having conversation with them. Oh, we ate Pocky (stick-) together. It was a strawberry flavor. I missed it so bad. My friend said, it tastes like cereal, but I
4/28 Thu  Umm...	I got a E-mail about my flight date from MNCC. This morning, right after I woke up, I realized that I got a new email. And when I opened up, I could see that I have, only one more month until I have to go back to Japan. I'm excited. But, I'm so sad at the same time. I'm so scared to go back to school... am I changed better since
4/29 Fri  Fun!	We had a rehearsal of our theatre show. It's next week!!! I am so excited, but I'm nervous at the same time. This is going to be my last show in America... I want to finish it really well and make it memorable. Also, I went OHS's show. Their shows are always great...! I learned many things from them.

Actually, "thesedays" Aww

I couldn't sleep well last night bc I was so stressed out to think about going back to Japan I was totally fine in the day time

Why I get so scared and terrified before I go to sleep?

I guess that's because I usually be alone in my room before I sleep, so I hugged Sammy (she is a squittrel stuffed animal which I got it from build-a-bear) so tight. I couldn't stand to be alone on the bed but I had nothing to do with it while everybody was sleeping.

wonderful.

together.

disagreed.

It's way better!!! Lol

I came here?

I'm scared of people's reaction.

I will use the idea in Japan! Hehe I could do nothing but holding Sammy until I fall a sleep.
