Name Shiori Onohara

1, 1	Today, I climbed a mountain to see two waterfalls. The scenery was so pretty and I took many pictures. I thought when people passing someone, American people often have small conversations. For example, "Today is exercise day, it's so hard." or "Turn right here and you'll see the waterfall." Most Japanese people do just greet each other. I thought that's so interesting.
1, 5	In high school, I made American friends and teachers always help me. But, I often working on my assignment by myself at US History class. I wanted to working on ^{my} assignment with my friends. At math class, my friend sitting next to me and she taking US History class.
1, 1	I told about it and I said "When I have questions, can I come to you?" She said "Of course! You can come to me anytime. I'll help you." I worried about it so I'm glad to my friend listened my problem.
1, 10	Today I made "yakisoba" with my HM. I wrote down recipe in English and we made sauce by ourselves. The amount of noodle was too much, so we cut it in half. The noodle became little short but the taste was good.
1, 11	Today I made "Gyoza" with my HM. Actually, I made it before for my HF but I couldn't make well... So, I used different recipe and my HM helped me a lot. I could make it better and it was good.
1, 13	Today I went to a restaurant with my HF. I ate a sandwich, chili and chips. I met friends at there and they worked at the restaurant. After I got home, I did facial mask with my HF and I watched a movie. It was fun!

|------|--|
| 1/14 | Today was my HM's son's birthday so I ate dinner with my HM and him at "Robin". We ate hamburgers. Also, I went to a grocery store selling products from many different countries with my HF. We got Japanese snacks and Okonomiyaki kit. |
| 1/17 | Today I made Okonomiyaki with my HM. I used a kit so I could make easily. Its taste was close from Japanese Okonomiyaki. I want to make again. |
| 1/20 | Today I took biology quiz at school but I couldn't answer well... After I got home, my HM's son came my HF's house and I made Udon with my HM. |
| 1/21 | Today my HD came my HF's house. I ate dinner with him. He will stay for few days and tomorrow, 3 more people come my host family's house. |
| 1/22 | Today I went to a grocery store with my HM. After that I made pineapple pasty with her. The pineapple pasty recipe is my HM's mother's recipe. I've never made it so it was fun. |
| 1/28 | Today I had sleepover at my HF's house, Me and my HT invited many people but some people canceled so, two American friends and four exchange student came to sleepover. One of the exchange students is Yuno. I couldn't meet her long time so I was so happy. I watched movie ^{and} talked with them. |
| 1/29 | Today's morning, I ate American cereals with my friend. They had to go home at 11am so we talked each other and take pictures. It was so much fun. After that I made Kikufuku mochi with my HF. My HT told me that she want to make the mochi because it was in a Japanese anime.
* We couldn't finish so we will finish up tomorrow. |

【学校生活と家庭生活について】

1 月分

Name Shiori Onohara

School

- In the second semester, many people change classes.
- After the weekend, teachers always ask students how was the weekend.

Home

- Few times in a week, I read a English book with my HM.
- This month, I made many Japanese food.

【日本と米国の違いについて】

- In America, many people think "13" is bad number. (My HM said, "#13 mean is bad luck so old buiding has no 13 floor.")
- On new yeats day, American people go to small trip or stay home and watch movies or spend the day with their family.
