

2024 MNCC Scholarship Program

Japan Homestay

MNCC scholarship program was established in 2000. The funds have been raised by MNCC exchange students through volunteer activities during the home stay programs in the United States. It includes donations from students as well as host families who participated in our programs. For this scholarship program, we also have received a lot of support from host families and Teacher Coordinators. And hereby, we are pleased to announce that we invite American students to Japan as “American Ambassadors”. We hope that this opportunity will become one of the best lifetime experiences for participants by interacting with Japanese school, Japanese culture and Japanese family.
